Subject: Letter of Reference—Emily Odam

Prospective Employers and Educational Institutions

To Whom It May Concern:

It is my distinct honor to write this letter of recommendation for Emily Odam. I have known Emily for four years, in my previous capacity as an instructional aid and currently as her teacher. Emily was in my United States History class during the 2020-2021 school year and returned as a Teacher's Assistant during the 2021-2022 school year at Clovis High School. Emily worked hard in my class and showed an admirable degree of dedication and resilience. Based on Emily's dedication to her studies and the maturity she demonstrates, I consider it a pleasure to recommend Emily for admission to your university.

Emily possesses several strengths that will benefit her in your institution. Emily is dedicated. Emily completed all her assignments with fidelity and regularly attended class in a year marked by continuous change and uncertainty. Even with the various shifts in learning brought on by the pandemic, Emily remained committed to her studies. Emily is persistent. Emily never hesitated to ask for help or clarification when she has needed it. The 2020-2021 school year presented Emily with many opportunities to give up, but instead, she worked harder to prove her abilities. As a Teacher's Assistant, Emily proved trustworthy and efficient.

In conclusion, I would highly recommend Emily Odam. If her performance at Clovis High School indicates how deserving she is to call your institution home, Emily will be an extremely positive representation of your organization. If you need any additional information, please contact me at (559) 327-1355 or by email at [ryantucker@cusd.com](mailto:ryantucker@cusd.com).

Sincerely,

Ryan Tucker  
Instructor – Social Science Department
